CHAIRMANS PITCH

Welcome to the 2019 camping season.

2018 was another good year for LCDA with lots of meets on and good numbers. The THSs were also well attended. Thanks go to all the Stewards, The Committee and all the other Non-Committee helpers, because without these people the meets would not happen and be as successful.

Each year we strive to improve on the previous year and try new things, sometimes with success and sometimes not. Every DA is reporting that numbers are down in general but I would like to think Lancs and Ches do a good job encouraging and keeping new members.

In the last few years we have been trying new sites and longer meets, which I think have all been successful. Our Midsummer meet was a great success making it into a 4 day meet and the feedback has been very positive from lots of new people to the DA and many have said they can’t wait to come out with us again.

Hopefully see you out in the field sometime in 2019.

Tim Hill

Chairman Lancs & Ches DA

It is particularly important to note the following

1. Chemical toilets must only be emptied on site where a suitable disposal point is available. Toilets must not be cleaned out at drinking water points.

2. Please do not allow your children to play ball games close to camping units as damage is easily caused and expensive to repair.

3. Proof of club membership is to be shown by participating members when properly demanded by the Steward or other duly authorised Office of the DA.

4. If in any doubt about a meet please contact the site secretary before setting out.

5. If you are the first member on site, please confirm with the landowner which field to use and act as Steward until the official Steward arrives.

6. The Steward is a volunteer. Help the Steward to help you by observing the rules.
7. Noise should be kept to a minimum and there should be no noise whatsoever between 11:00 pm and 7:00 am.

8. Camp around the edge of the field wherever possible. If in doubt see Steward before pitching.

9. The minimum wall to wall distance between units should be 20 feet (6 m).

10. All rubbish should be taken home or placed in receptacles where provided. Under no circumstances should rubbish be buried or burned.

11. All animals are to be kept under control and on a lead no longer than 6 foot. They must not be allowed to run loose on the field. Animals must be exercised well away from camping areas. In the event of any mishap you will be expected to clean up after your animals.

12. The speed limit on site is **5 MPH**, at all times.

All members of the Camping and Caravanning Club are invited to join Lancashire and Cheshire DA at any event or weekend meet where they can be assured of a friendly welcome.
